

Forsyth Off Road Bicycle Association (FORBA) Steering Committee Meeting

Date: March 7, 2023, 7:00pm ET

Attendees: Jake Easter, Amy Easter, Michael Phelps

Discussion Notes:

- Debrief last month's events
 - No workday in February
 - Held first group ride at Moores Spring Trail on March 5. Great turn out (9 riders) and fun time! Will be doing recurring rides on the first Sunday of each month. Location will change month to month. Check facebook and emails for updates.
- Update from each trail leader
 - Tanglewood - It's a little wet and a few trees had to be cleared recently. The recent jumpline improvements are in good shape.
 - Horizons - No update. Probably still trees down from storms.
 - Hobby - No update.
- Plan next workday & other events
 - Next workday Sunday, March 26, 10am-1pm at Horizons.
 - Group ride at Warrior Creek on Sunday, April 2 at 10am
- Admin updates
 - Small group visited Salem Lake trails to inventory the area and will be meeting with the City in the coming weeks to talk about next steps to bring the trails to safe, sanctioned status.
 - Planning to do another social event at Fiddlin Fish. More info to come.
